

Product List

Our extensive product line includes Telemetry, RF and Timing; Data Acquisition, Recorders, Instrumentation and Test; Embedded Products and Ruggedized Computers; Enclosures, Racks, Cases and Power Conditioning; Sensors and Transducers; and System Integration

Products	Manufacturer
Accelerometers	Measurement Specialties
Antenna Control Unit (ACU)	Raytheon Ktech
Antennas - airborne/flight body	Haigh-Farr
Antennas - ground	Raytheon Ktech
Avionics bus testing	Aim USA
Best Source Selectors	Acroamatics, GDP Space
Bit synchronizers	Acroamatics, GDP Space
Blade antennas	Haigh-Farr
Bubble detection sensors	Measurement Specialties
Button antennas	Haigh-Farr
Cabinets, Electronic enclosures, racks, workstations	Equipto Electronics
Capacitive sensors	Micro-Epsilon
Cases	ECS Case
Conformal antennas	Haigh-Farr
Data acquisition - air	Ultra Herley
Data acquisition - ground	AstroNova (formerly Astro-Med)
Data acquisition - ground	DEWESoft
Data acquisition - ground	Pacific Instruments

Data link test set	GDP Space
Decommutators	Acroamatics, GDP Space
Digital video recorders (DVR)s	Elotek Systems
Distribution amplifiers	Microsemi (formally Symmetricom)
Distribution amplifiers	Universal Switching
Eddy Current sensors	Micro-Epsilon
Embedded computers	Systel
Fiber characterization and testing	EXFO
Flat panel displays	Systel
Flight Termination Receivers (FTR)	Ultra Herley
Flowmeter	Badger Meter
Fluid property sensors	Measurement Specialties
Force sensors	Measurement Specialties
Frame synchronizers	Acroamatics, GDP Space
GPS antennas	Haigh-Farr
GPS Receivers	Ultra Herley
GPS time and frequency distribution	Microsemi (formally Symmetricom)
Humidity sensors	Measurement Specialties
Laser sensors	Micro-Epsilon
Mass air flow sensors	Measurement Specialties
Medical computing stations, Carts, Tablets	Onyx
Multicoupler	Raytheon Ktech
Multiplexor	GDP Space
NEMA boxes	Equipto Electronics
Network Server	AMPEX

Non-contact sensors	Micro-Epsilon
Optical switches	Polatis
OTDRs	EXFO
Panel PCs	Onyx
Panel PCs	Systel
Photo optic sensors	Measurement Specialties
Piezo	Measurement Specialties
Position sensors	Measurement Specialties
Potentiometers	Measurement Specialties
Power conditioning	Intellipower
Power distribution (PDU)	Eaton
Power distribution (PDU)	Marway
Pressure sensors/transducers	Measurement Specialties
Pressure sensors/transducers	GP:50
Rackmount computers	Systel
Radar altimeters	Ultra Herley
Range Safety Systems	Ultra Herley
Rate and Inertial sensors	Measurement Specialties
Receivers - air	Quasonix
Receivers - ground	SEMCO
Recorders	AMPEX
RTDs	Measurement Specialties
Scan Converters	Delta Digital
Servers	Systel
Servers	AMPEX
Signal Conditioning	AstroNova (formerly Astro-Med)
Signal Conditioning	DEWESoft
Signal Conditioning	Pacific Instruments
Storage boxes	Systel

String pots	Measurement Specialties
Switching solutions	Polatis
Switching solutions	Universal Switching
System Integration	Elotek Systems
Telemetry data processors (TDP)	Acroamatics, GDP Space
Telemetry simulators	SEMCO
Temperature sensors	Measurement Specialties
Temperature sensors	Micro-Epsilon
Thermistors	Measurement Specialties
Thermocouples	Measurement Specialties
Thermopiles	Measurement Specialties
Time and frequency synchronization	Microsemi (formally Symmetricom)
Torque sensors	Measurement Specialties
Transmitters - air	Quasonix
Transponders	Ultra Herley
Ultrasonic sensors	Measurement Specialties
Uninterruptable power supplies (UPS)	Intellipower
Vibration sensors	Measurement Specialties
Video compression	Delta Digital
Video decoders	Delta Digital
Video encoders	Delta Digital
Wireless network testors	EXFO
Wrap-around antennas	Haigh-Farr
